SUMMARY

Bachelor of Science in Information Technology graduate with hands-on experience in software quality assurance, having led ISO/IEC 25010-based testing on a capstone system that achieved 95% overall conformance. Skilled in functional and non-functional testing, defect documentation, and client-facing quality validation, with a detail-oriented mindset suited to rigorous test case design and reporting.

EXPERIENCE

Web Developer — Advocate Tours and Travel Incorporated (Feb 2026 – April 2026)

- Tested and validated inquiry forms for destinations, visa assistance, and FAQs before launch, verifying accurate data capture and display.
- Checked site responsiveness and navigation as part of client sign-off, flagging issues and confirming fixes before deployment.

Project Manager — Android-based Inventory Management System for Tita Doc Pediatric and Familee Dental Clinic (Jan 2025 – November 2025)

- Conducted ISO/IEC 25010 alpha testing across 5 quality characteristics with 3 IT professionals, achieving 95% overall conformance (Functionality 86%, Reliability 93%, Usability 96%, Performance Efficiency 100%, Security 100%).
- Facilitated beta testing with clinic staff via a Likert-scale questionnaire, yielding a 3.83 weighted mean (“Strongly Agree”) confirming the system met real-time inventory needs.
- Documented test results and defect findings, coordinating with developers to verify fixes and support final client sign-off.

Documentations Officer — ALPHA: Alliance of Leading Programmers through Heuristic Adaptation (Jan 2024 – Jun 2024)

- Produced formal documentation and correspondence, developing the precise, structured writing skills directly transferable to test case documentation and defect reporting.
- Assisted in ICT Week events organized by the alliance.

EDUCATION

Bachelor of Science in Information Technology | Aug 2022 – 2026
STI College Ortigas-Cainta, Ortigas Avenue Extension, Cainta, Rizal

Science, Technology, Engineering, and Mathematics | Aug 2020 – 2022
Technological Institute of the Philippines, Aurora Boulevard, Cubao, Quezon City

SKILLS

Technical Skills: HTML, CSS, JavaScript, Next.js, React, TypeScript, Flutter, Dart, Supabase, Python, Java, C#, Manual & Functional Testing, Test Case Design, ISO/IEC 25010 Conformance Testing, Network Management, Database Management, Microsoft Office Suite

Soft Skills: Time Management, Team Collaboration, Communication Skills, Research-Oriented Skills, Test Documentation & Reporting, Attention to Detail, Able to Work Under Pressure
